by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 4-3-731, is amended by adding the following as a new subsection:

(1) At least once each year, the department shall brief the fiscal review committee at a time to be determined by the fiscal review committee, on any new clawback rights being executed by the department during the current year, as well as any clawback rights from previous years that are still being collected by the department during the current year.

(2) As used in this subsection, "clawback" means a provision in an agreement or a separate agreement that reserves the right of the department to recover the amount of money, grants, funds, or other incentives disbursed by the department, in whole or in part, if the person or entity benefitting from such money, grants, funds, or other incentives fails to fulfill the commitments made by such person or entity to the department.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
