**AMEND Senate Bill No. 508\***

**House Bill No. 783**

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 9, Part 7, is amended by adding the following language as a new section:

(a) For purposes of assigning clinical rotations to a healthcare facility that contracts with a school of medicine of a state institution of higher education, a school of medicine of a state institution of higher education shall give priority consideration to a medical student in good academic standing with an accredited medical college in this state over a medical student attending a school of medicine outside of this state.

(b) Subsection (a) does not apply to an accredited medical college in this state that contracts with a healthcare facility that operates a poison center, a pain medicine residency program, and a comprehensive cancer center for adult and pediatric patients that is designated by the National Cancer Institute (NCI) as an NCI-designated comprehensive cancer center.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
