FISCAL NOTE

HB 98 – SB 495

March 20, 2019

SUMMARY OF BILL: Requires the Department of Commerce and Insurance (DCI) to semiannually publish to their website a roster containing the names and places of business of all geologists licensed in the state.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Pursuant to Tenn. Code Ann. § 62-36-116, the roster of licensed geologists is currently maintained by DCI. Copies of this roster are furnished to a licensee free of charge or to a member of the public upon payment of a fee.
- According to DCI, the fee to furnish a roster for a member of the public is \$10; however, to date, this fee has never been collected by the Department.
- As such roster is currently posted to the Department's website, and the roster fee has never been paid by a member of the public, the proposed legislation will cause no fiscal impact to the state.
