

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 845 - SB 811

March 14, 2019

SUMMARY OF BILL: Requires the State of Tennessee to assume regulatory oversight relative to effluents during periods in which the federal government does not have adequate funds to exercise such oversight.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The agency which would be responsible for such oversight is the Department of Environment and Conservation (TDEC).
- TDEC is not aware of regulations of effluents for which the Department does not already have primary responsibility within Tennessee. As a result, any impact on the state or local government is estimated to be not significant.
