

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 1220 - SB 1107

March 4, 2019

**SUMMARY OF BILL:** Defines “electric foot scooter” as a device weighing less than 100 pounds, with two or three wheels, handlebars, and a floorboard that can be stood upon while riding, which is solely powered by an electric motor or human power or both, and whose maximum speed is 20 miles per hour. Establishes the requirements for operation of an electric foot scooter to mirror that of an electric bicycle.

Authorizes electric bicycles and electric foot scooters to be parked on a sidewalk in a manner not impeding the normal or reasonable movement of pedestrian or other traffic.

Prohibits the operation of an electric foot scooter for those under the age permitted to operate a motor vehicle under the Uniform Classified and Commercial Driver License Act. Prohibits any person operating an electric foot scooter at a speed higher than 15 miles per hour.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- There will not be a sufficient number of prosecutions for state or local government to experience any significant increase in revenue or expenditures.
- Electric foot scooters are not required to be registered or insured nor are operators required to be licensed; therefore, no significant impact to registration, licensing, or other related fee revenue.
