

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 1315 – SB 1468

February 22, 2019

SUMMARY OF BILL: Requires the Department of Health (DOH) to seek a federal grant, from the United States Department of Health and Human Services' Health Resources and Services Administration (HRSA) or any other applicable entity, to develop a training program for certified nurse practitioners in treating and processing a minor who is a victim of certain sexual offenses. Requires the training program to be free of charge for certified nurse practitioner participants.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact – To the extent the Department of Health is awarded a federal grant, any such funding would be expended to develop the proposed program. The extent and timing of any such grant and subsequent expenditures for the program is unknown.

Assumption:

- The DOH will not incur a significant increase in expenditures to seek a grant from the HRSA or other applicable entity to develop training programs for certified nurse practitioners.
- Training programs will be created only if a federal grant is received. For the purposes of this fiscal analysis, it is assumed that the DOH will receive such grant.
- The number of certified nurse practitioners who would participate, details and specifics of the training program are unknown.
- Based on research of states who have been awarded similar grants for the purpose of developing training programs for nurses, it is estimated that a one-time grant of at least \$500,000 would be required.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
