HB 1826 - SB 1946

February 7, 2020

SUMMARY OF BILL: Requires the Commissioner of the Department of Education (DOE) to produce a formative assessment question bank that is aligned to summative assessments developed to measure academic progress. Requires the Commissioner of DOE to make the formative assessment question banks available to local education agencies (LEAs) during the school year. Requires LEAs to have complete authority over the use of the question banks.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The proposed legislation will require DOE to release a bank of questions that are aligned to the current assessments.
- It is assumed that DOE will populate the formative bank primarily with previously released summative questions.
- The proposed legislation does not require DOE to deploy a physical platform for online testing. Therefore, the bank of questions will be released on a website and made available to LEAs.
- As a result, DOE will be able to comply with the proposed legislation within existing resources.
- LEAs will be able to comply with the proposed legislation within existing resources.
