

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 1946 – SB 1915

January 30, 2020

SUMMARY OF BILL: Authorizes members of the United States Armed Forces and honorably discharged veterans to receive equivalent credit toward the receipt of an occupational license relating to the training received. Requires the Commissioner of Veterans Services to promulgate rules.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Passage of this legislation may allow certain individuals to acquire certain licenses sooner relative to the time it may take under current law. It is assumed such individuals would be pursuing the respective license under current law as well as under the provisions of this legislation. Therefore, any change in the number of licenses issued statewide is not expected to be significant.
- Some license fee revenue may shift forward if certain people are able to acquire licensure sooner; however, the total amount of licensure fee revenue received over time is not expected to change significantly. As a result, any impact related to licensure fee revenue is estimated to be not significant.
- It can be reasonably assumed that the Department of Veterans Services can meet the provisions of the proposed legislation with existing resources without an increase in expenditures.
