

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 2325 - SB 2728

February 8, 2020

SUMMARY OF BILL: Requires the state, any agency, institution, and political subdivision thereof to post previously adopted written policies concerning electronic mail communications to the applicable entity's website.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Tenn. Code Ann. § 10-7-512(a) requires the state or any agency, institution, or political subdivision thereof that operated or maintained an electronic mail communication system to adopt a written policy on any monitoring of the communications and the circumstances under which it would be conducted by July 1, 2000.
- The proposed language would require such entities to post such written policies to the entity's website.
- There are approximately five counties who do not have county-specific websites or a county government page on a chamber of commerce's website.
- Counties will not be mandated to establish a county website in order to comply with the provisions of this legislation.
- Any fiscal impact to local government as a result of posting such requirements on existing websites is estimated to be not significant.
