

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 206

January 29, 2019

SUMMARY OF BILL: Establishes that the statistical report required of the Tennessee Alcoholic Beverage Commission (ABC) must be made available on the ABC website, rather than made available to any person filing a written request for a copy of such report.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Based on information provided by the ABC, no member of the public has ever requested a copy of this report; however, if a member of the public, under current law, asked for a copy of the report, it would have been provided under open records law which allows the ABC to charge for copies. This report, however, is only 2-3 pages (costing approximately \$0.45) and the ABC open records policy states that it will waive the cost for any charge less than \$5.00 and would have been provided at the expense of the ABC.
- Any decrease in expenditures for the ABC to provide this report on its website rather than providing a hard copy is estimated to be not significant.
- The ABC can place such report on its website without any increase in state expenditures.
