

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**SB 830 - HB 1458**

April 4, 2019

**SUMMARY OF BILL:** Deletes the July 1, 2019 repeal provision thereby establishing that a licensed alcohol manufacturer may continue to have a direct or indirect interest in an establishment license for on-premises consumption after such date.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Public Chapter 371 of the Public Acts of 2017 authorized a licensed alcohol manufacturer to have a direct or indirect interest in an establishment license for on-premises consumption. This authorization is set to be repealed on July 1, 2019.
- The authorization pursuant to Public Chapter 371 was assumed to potentially lead to an increased number of establishments that apply for licensure to sell alcoholic beverages for on-premises consumption. However, the impact on state or local revenue was estimated to be not significant.
- Therefore, deleting the July 1, 2019 repeal provision will not result in a significant fiscal impact on state or local government.
