FISCAL NOTE

SB 2095 – HB 2271

February 4, 2020

SUMMARY OF BILL: Authorizes the Department of Safety (DOS) to develop a form and make it available on its website to submit a change of address by mail or electronically.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The Driver Services Division of the DOS website currently has an option to change your address on file without receiving a new driver license or identification card. This is a free submission.
- Authorizing DOS to develop a form and make it available on its website to submit a change of address by mail or electronically is codifying current practice; therefore, there will not be a significant fiscal impact to state government.
