House Bill No. 594

in the amendatory language of Section 1 by deleting the word “a” between the language “successfully complete” and “motor vehicle emissions” and by substituting instead the language “an annual”.

AND FURTHER AMEND by adding the following new language at the end of the amendatory language of Section 1:

The affected jurisdiction is authorized to operate a motor vehicle emissions testing program or to contract for the operation of such program.

AND FURTHER AMEND by adding the following as a new Section 2 and by redesignating subsequent sections accordingly:

Section 2. Section 1 shall take effect from the earlier occurring of either of the following dates:

(a) Thirty (30) days after an ambient air carbon monoxide monitor located in an affected jurisdiction, operated by the local agency or department or state agency and designated by the environmental protection agency (EPA) as a part of National Ambient Air Monitor System (NAMS) or the State and Local Ambient Air Monitor System (SLAMS) records a violation of the National Ambient Air Quality Standard (NAAQS) for carbon monoxide, or

(b) Thirty (30) days after any required carbon monoxide emissions inventory required by a redesignation plan or other federally mandated requirement is approved by EPA and shows a carbon monoxide level above the
