AMEND Senate Bill 2538

House Bill > 2872

by deleting Section 2(B)(1)(a) and substituting instead the following:

The person who is in the latter stages of Alzheimer’s Disease or related disorders and who has lost the ability to walk with staff assistance or the use of assistive devices such as cane, walker, brace, wheelchair or prosthetic devices.

AND FURTHER AMEND by deleting Section 2(B)(1)(i) and by substituting instead the following:

The person is not able to communicate his or her needs by any known means of communication.
