by deleting all language after the enacting clause and by substituting instead the following:

Section 1. Tennessee Code Annotated, Section 67-5-103 is amended by adding the following new subsection:

(c) With respect to municipalities which fund all or part of the cost of waste disposal by special assessment to the property owner, as authorized in Tennessee Code Annotated, Section 6-2-201(19), the special assessment may be billed in the same manner as municipal real property taxes and the special assessment may be billed on the real property tax notices, but shall not constitute a lien on any affected property or accrue any penalties or interest for late payment. Any municipality that exercises the option of the above method of waste disposal by special assessment shall bear all costs of system modifications necessary to prepare property tax notices.

Section 2. This act shall take effect upon becoming a law, the public welfare requiring it.
