AN ACT to amend Tennessee Code Annotated, Title 68, Chapter 105, Part 1, relative to liability insurance for blasting.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 68, Chapter 105, Part 1, is amended by adding the following language as a new, appropriately designated section:

Section _____. On and after the effective date of this act, each person applying for or renewing a company registration certificate shall maintain a current liability insurance policy, which includes blasting coverage, in the minimum amount of five hundred thousand dollars (\$500,000) during all blasting operations for the use and benefit of any person who may be injured or aggrieved by wrongful act or omission of any employee, servant, officer, or agent in the conduct of business of the blaster, or the blaster himself. If the insurance policy ceases to be in effect, the company registration certificate shall become invalid. This requirement shall not be construed so as to require employees and/or blasters to maintain such insurance coverage.

SECTION 2. This act shall take effect July 1, 1996, the public welfare requiring it.
