

HOUSE BILL 2917  
By Purcell

AN ACT to amend Tennessee Code Annotated, Section 8-30-211,  
relative to regular reports of certain changes in state  
employee positions.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 8-30-211, is amended by designating the existing language as subsection (a) and by adding the following new subsection:

The department of personnel and the department of finance and administration shall report monthly to the senate and house finance ways and means committees and the fiscal review committee on bona fide employee promotions, showing clearly by department the names and the increases in pay as a result of such promotions. The departments shall also furnish a copy of the report to the two speakers and upon request to any member of the general assembly. The report shall also include employee transfers, dismissals, terminations, demotions, separations, positions reclassified from the career service to the executive service, and position abolishments showing clearly by department the name and title of each employee affected and such employee's position after such action.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
