AN ACT to amend Tennessee Code Annotated, Title 64 and Title 65, relative to passenger rail service.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. There is hereby created a pilot project to encourage, develop and regulate passenger rail service from Memphis to Nashville. The purpose of this pilot project is to study the efficacy and feasibility of passenger rail service from Memphis to Nashville. The department of transportation is directed to study and prepare a report by July 1, 1995 regarding the availability and cost of insurance, financing, and trackage rights for such rail passenger service. The department is also directed to meet with the appropriate federal officials to assist in the development of federal passenger rail service from Nashville to Atlanta and other major cities in the southern United States. Copies of the report shall be delivered to the speaker of the house, the speaker of the senate, and to each member of the house and senate transportation committees.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
