

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 13, 1996

SUBJECT: **HB 2426 - SB 2837**

This bill, if enacted, will allow the governing body of a municipality creating a municipal airport authority to appoint from *at least five to no more than eleven* commissioners to the authority. Current law allows five commissioners. Commissioners are not paid but are reimbursed for travel expenses.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures to the extent that the additional commissioners are provided reimbursement for travel expenses. Such increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
