

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: Fiscal Review Committee Staff

DATE: February 6, 1995

SUBJECT: **SENATE BILL 6**

This bill, if enacted, will allow a decrease in the minimum seating capacity for gourmet and liquor-by-the-drink wine only restaurant licensees from 50 to 40 seats at tables.

The fiscal impact from enactment of this bill is estimated to result in increased revenue to state and local governments. However, such increase cannot be reasonably determined but can reasonably be estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
