TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 1, 1995

SUBJECT: **SB 1533 - HB 1439**

This bill, if enacted, will allow trucks hauling agricultural limestone to be weighted on gross weight of the vehicle rather than axle weight.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures from additional damage to roadways. The amount of such increase cannot reasonably be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
