

## FISCAL NOTE

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 7, 1996

SUBJECT: **SB 2412 - HB 3072**

This bill, if enacted, will remove the exemption, from the federal color specifications, which allowed van type vehicles used to transport students to and from school related activities to be a color other than yellow.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures\* due to some local education agencies incurring costs to have such vehicles painted in conformity with federal specifications. However, such increase in local government expenditures is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director

\*Article II, Section 24 of the Tennessee Constitution provides that: *no law of general application shall impose increased expenditure requirements on cities or counties unless the General Assembly shall provide that the state share in the cost.*
