

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 2, 1996

SUBJECT: **SB 2429 - HB 2803**

This bill, if enacted, will include birthing centers as a separately licensed facility by the Board for Licensing Health Care Facilities and excludes them from the requirements of the Certificate of Need process with the Health Facilities Commission. Birthing centers are currently licensed as ambulatory surgical treatment centers.

The fiscal impact from enactment of this bill is estimated to reduce state revenues based on the estimated loss of CON application fees, however the amount of loss is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
