

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 12, 1996

SUBJECT: **SB 2686 - HB 2604**

This bill, if enacted, will require all managed care organizations to have signed contracts with those health care providers who will be included in the managed care organization for the ensuing year.

The fiscal impact from enactment of this bill is estimated to be minimal.

The Bureau of TennCare has taken the position that each enrollee will have to be notified of available providers at a cost in excess of \$2 million for printing and postage. We do not agree with this interpretation of the bill.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
