

Representative Ragan's Constituent Survey

1. I am more likely to be convinced by a policy message published by an office holder or candidate in which of the following?

- | | | | | |
|--------------------------------|-------------------------------------|-----------------------------------|--|--------------------------------|
| Individual | Electronic | A 4" x 6" | Newspaper | "Robo |
| <input type="checkbox"/> Email | <input type="checkbox"/> Newsletter | <input type="checkbox"/> Postcard | <input type="checkbox"/> Advertisement | <input type="checkbox"/> Calls |

2. A US Congressman said in the press recently "get the government out of our lives and leave us the heck alone."

- | | | | | |
|-----------------------------------|-----------------------------------|--------------------------------------|--------------------------------|--------------------------------|
| Completely | Partially | No opinion/ | Partially | Completely |
| <input type="checkbox"/> disagree | <input type="checkbox"/> disagree | <input type="checkbox"/> Do not know | <input type="checkbox"/> agree | <input type="checkbox"/> agree |

3. I think we need more laws like the Patient Protection and Affordable Care Act (called Obamacare and ACA by the press) that we "have to pass to see what is in them."

- | | | | | |
|-----------------------------------|-----------------------------------|--------------------------------------|--------------------------------|--------------------------------|
| Completely | Partially | No opinion/ | Partially | Completely |
| <input type="checkbox"/> disagree | <input type="checkbox"/> disagree | <input type="checkbox"/> Do not know | <input type="checkbox"/> agree | <input type="checkbox"/> agree |

4. I think the "Wine in Grocery Stores" question should be settled by local referendum.

- | | | | | |
|-----------------------------------|-----------------------------------|--------------------------------------|--------------------------------|--------------------------------|
| Completely | Partially | No opinion/ | Partially | Completely |
| <input type="checkbox"/> disagree | <input type="checkbox"/> disagree | <input type="checkbox"/> Do not know | <input type="checkbox"/> agree | <input type="checkbox"/> agree |

5. Because Tennessee is one of the lowest debt states, I think Tennessee should increase the state's debt to match other states in order to provide more social welfare programs.

- | | | | | |
|-----------------------------------|-----------------------------------|--------------------------------------|--------------------------------|--------------------------------|
| Completely | Partially | No opinion/ | Partially | Completely |
| <input type="checkbox"/> disagree | <input type="checkbox"/> disagree | <input type="checkbox"/> Do not know | <input type="checkbox"/> agree | <input type="checkbox"/> agree |

6. Because TV shows have increased Tennessee's public name recognition and brought tourists, I think that the state should offer more incentives to the TV and movie industry to do more in our state.

- | | | | | |
|-----------------------------------|-----------------------------------|--------------------------------------|--------------------------------|--------------------------------|
| Completely | Partially | No opinion/ | Partially | Completely |
| <input type="checkbox"/> disagree | <input type="checkbox"/> disagree | <input type="checkbox"/> Do not know | <input type="checkbox"/> agree | <input type="checkbox"/> agree |

7. I think the electronic benefits transfer (EBT) card used for the supplemental nutrition program (SNAP – formerly food stamps) and other welfare benefits is abused too often. Therefore the state should require a picture of the authorized user on it.

- | | | | | |
|-----------------------------------|-----------------------------------|--------------------------------------|--------------------------------|--------------------------------|
| Completely | Partially | No opinion/ | Partially | Completely |
| <input type="checkbox"/> disagree | <input type="checkbox"/> disagree | <input type="checkbox"/> Do not know | <input type="checkbox"/> agree | <input type="checkbox"/> agree |

8. Because 42% of children are currently born into single parent families and this is single strongest correlation to long term poverty, I think it is wrong for the taxpayers to support women who have multiple illegitimate children by different fathers.

- | | | | | |
|-----------------------------------|-----------------------------------|--------------------------------------|--------------------------------|--------------------------------|
| Completely | Partially | No opinion/ | Partially | Completely |
| <input type="checkbox"/> disagree | <input type="checkbox"/> disagree | <input type="checkbox"/> Do not know | <input type="checkbox"/> agree | <input type="checkbox"/> agree |

9. This past summer World Geography was replaced from a stand-alone credit subject in Tennessee high school and middle school with a new combined course called World History & World Geography,

Representative Ragan's Constituent Survey

and downgraded in high school to an elective only. I think this change was a bad, unnecessary move.

Completely Partially No opinion/ Partially Completely
 disagree disagree Do not know agree agree

10. This year, the UT "sex week" program has a roughly \$25,000 budget, mostly coming from student activity fees. Individual students are forced to contribute to this fund, but have no direct say in how the funds are expended. I think students individually should be able to keep their fees from going to a non-academic activity to which they object on religious grounds.

Completely Partially No opinion/ Partially Completely
 disagree disagree Do not know agree agree
